ZUMBA® PARTYS

What is Zumbatomic?.....simple..... Zumba for your Kids

Sure, chillin' out is cool. But rockin' out is a blast!

That's why you're kids are gonna love the Zumbatomic® fitness program. It's a fast-forward fusion of the Zumba program's moves (salsa, pop, cumbia, reggaeton, hip-hop and more) and workouts designed to let kids between the ages 4-12 max out on fun and fitness all at the same time.

Safe and effective, kids can't wait to get into the Zumbatomic party mood.

Watch their excitement and energy levels soar as they get into the groove.

The age groups are split for example 4-7years and/or 8-12 years.

Ages are approximate and can be tailor to your needs & age range.

Zumbatomic® party program is FUN, FUN,FUN and what a great alternative to other childrens party ideas. Zumba mixed with party games and entertaining activities ...adding to the fun and excitement and getting them to interact with each other.

If you have never seen a Zumbatomic® class, you can take my word for it, the children can shake and move with the best of them! A lot of laughter had by all.
